**PROPOSED RENEWAL OF EXISTING
SHARE BUY-BACK AUTHORITY**

IOI GROUP
IOI CORPORATION BERHAD

Company Registration No. 196901000607 (9027-W)
(Incorporated in Malaysia)

**PART A: SHARE BUY-BACK STATEMENT IN RELATION TO THE PROPOSED RENEWAL
OF EXISTING SHARE BUY-BACK AUTHORITY**

1. INTRODUCTION

At the last AGM of the Company held on 27 October 2023, the shareholders of the Company had approved the renewal of the authority for the Company to purchase up to 10% of its own Shares.

The above shareholders' approval for the Company to purchase its own Shares is subject to annual renewal and will lapse at the conclusion of the forthcoming 55th AGM unless such authority is renewed by an ordinary resolution passed at the forthcoming 55th AGM.

On 11 September 2024, the Board had announced its intention to seek the approval of the shareholders of the Company for the Proposed Renewal of Existing Share Buy-Back Authority.

The Notice of the forthcoming 55th AGM and the Proxy Form are enclosed in the Annual Report 2024 of the Company, which can be downloaded from the Company's website at <http://www.ioigroup.com/integrated-report/2024/#downloads>.

SHAREHOLDERS OF IOI ARE ADVISED TO READ THE CONTENTS OF THIS STATEMENT TOGETHER WITH THE APPENDICES IN THIS CIRCULAR BEFORE VOTING ON THE RESOLUTION PERTAINING TO THE PROPOSED RENEWAL OF EXISTING SHARE BUY-BACK AUTHORITY.

2. DETAILS OF THE PROPOSED RENEWAL OF EXISTING SHARE BUY-BACK AUTHORITY

The Board proposes to seek renewal of the authority to purchase up to 10% of the total number of issued Shares of the Company as quoted on Bursa Securities at the point of purchase, subject to compliance with the provisions of the Act, the Listing Requirements and/or any other relevant authorities.

The renewal on existing share buy-back authority, if approved by the shareholders at the forthcoming 55th AGM, will be effective immediately upon the passing of the ordinary resolution at the forthcoming 55th AGM and the authority conferred under the Proposed Renewal of Existing Share Buy-Back Authority shall continue to be in force until:-

- (i) the conclusion of the next AGM of the Company at which time the authority shall lapse unless by ordinary resolution passed at that general meeting, the authority is renewed either unconditionally or subject to conditions; or
- (ii) the expiration of the period within which the next AGM after that date is required by law to be held; or

- (iii) revoked or varied by ordinary resolution passed by the shareholders in a general meeting,

whichever occurs first.

The Company did not purchase any Shares from the open market in FYE 30 June 2024. As at LPD, the total number of issued Shares of the Company stood at 6,285,198,995 Shares. As such, subject to the approval of the shareholders, the Company may purchase up to 628,519,899 Shares (inclusive of 81,501,700 Treasury Shares) pursuant to the Proposed Renewal of Existing Share Buy-Back Authority. The Treasury Shares against the total number of issued Shares of the Company as at LPD was 1.30%.

The Directors may deal with the Purchased Shares in the following manner:-

- (i) cancel the Shares so purchased; or
- (ii) retain the Shares so purchased as Treasury Shares, which may be distributed as dividends to the shareholders and/or be resold on the market of Bursa Securities and/or be transferred for the purposes of or under an employees' share scheme and/or be transferred as purchase consideration and/or be cancelled subsequently; or
- (iii) retain part of the Shares so purchased as Treasury Shares and cancel the remainder; or
- (iv) deal with the Shares in any other manner as may be permitted by the applicable laws and/or regulations in force from time to time.

The Shares to be purchased pursuant to the Proposed Renewal of Existing Share Buy-Back Authority shall be at prices not exceeding 15% above the WAMP of the Shares for the 5 Market Days immediately prior to the purchase.

The Treasury Shares arising from the share buy-back, including those Shares that have been bought back as at the date of this Circular, may be resold on the market or transferred pursuant to Section 127(7) of the Act, if so determined by the Board, at:-

- (a) a price which is not less than the WAMP of the Shares for the 5 Market Days immediately before the resale or transfer; or
- (b) a discounted price of not more than 5% to the WAMP of the Shares for the 5 Market Days immediately before the resale or transfer provided that:-
 - (i) the resale or transfer takes place not earlier than 30 days from the date of purchase; and
 - (ii) the resale or transfer price is not less than the cost of purchase of the Shares being resold or transferred.

3. SOURCE OF FUNDS

The proposed purchase by the Company of its own Shares shall be financed through internally generated funds and the maximum amount of funds allocated shall not exceed the sum of the retained earnings of the Company based on the audited financial statements for FYE 30 June 2024.

The actual number of Shares to be purchased, the total amount of funds to be utilised, impact on cash flows as well as the timing of the proposed purchase by the Company of its own Shares will be dependent on amongst others, the market conditions, sentiments of the stock market and the available financial resources of the Company at the time of purchase(s).

Based on the audited financial statements for FYE 30 June 2024, the retained earnings of the Company were RM6,944.7 million. The Company will ensure that the total amount of retained earnings of the Company will be sufficient to effect the proposed share buy-back.

4. RATIONALE FOR THE PROPOSED RENEWAL OF EXISTING SHARE BUY-BACK AUTHORITY

The rationale for the Proposed Renewal of Existing Share Buy-Back Authority is as follows:-

- (a) The Company may be able to reduce any unwarranted volatility of its Shares and assist to stabilise the supply, demand and price of its Shares in the open market, thereby supporting the fundamental value of its Shares;
- (b) The proposed share buy-back is expected to enhance the value for shareholders from the resultant reduction in the number of Shares in the open market. Assuming all things being equal, the EPS of IOI Group may be enhanced as the consolidated earnings would be divided by a reduced number of Shares. This is expected to have a positive impact on the market price of IOI Shares which will benefit the shareholders; and
- (c) The Purchased Shares can also be retained as Treasury Shares and resold on Bursa Securities at a higher price. The distribution of Treasury Shares as share dividends (if any) will also reward the shareholders as it would increase the number of Shares held which can subsequently be resold in the open market. Alternatively, the Treasury Shares can be transferred for purposes of or under the employees' share scheme of the Company or such other purposes as allowed under the Act.

5. POTENTIAL ADVANTAGES AND DISADVANTAGES OF THE PROPOSED RENEWAL OF EXISTING SHARE BUY-BACK AUTHORITY

5.1 Potential advantages

The potential advantages are as follows:-

- (i) Enables the Company to take preventive measures against speculative activities particularly when the Shares are undervalued which may in turn stabilise the market price and hence, enhance investors' confidence;
- (ii) Enables the Company to utilise its financial resources more efficiently especially where there is no immediate use. Any subsequent cancellation of the Shares purchased may strengthen the consolidated EPS of IOI Group, which in turn have a positive impact on IOI share prices;
- (iii) Provides the Company with opportunities for potential gains if the Treasury Shares are subsequently resold at prices higher than the purchase price; and
- (iv) In any event, the Treasury Shares may also be distributed as share dividends to the shareholders as a reward.

5.2 Potential disadvantages

The potential disadvantages are as follows:-

- (i) The Proposed Renewal of Existing Share Buy-Back Authority, if implemented, will reduce the financial resources of IOI Group and consequently result in IOI Group foregoing investment opportunities that may arise in the future or any interest that may be derived from depositing such funds in interest bearing deposits; and
- (ii) As the funds to be allocated for the Proposed Renewal of Existing Share Buy-Back Authority must be made out of IOI's retained earnings, the amount available from the retained earnings for distribution of dividend to IOI's shareholders may decrease accordingly.

Nevertheless, the Proposed Renewal of Existing Share Buy-Back Authority is not expected to have any potential material disadvantages to the Company and our shareholders, as it will be implemented only after careful consideration of the financial resources of IOI Group and the resultant impact. Further, it may not be carried out to the full 10% limit as authorised and the purchases or acquisitions of shares pursuant to the Proposed Renewal of Existing Share Buy-Back Authority would be made only as and when the Directors consider it to be in the best interests of the Company.

6. IMPLICATIONS RELATING TO THE RULES

The Proposed Renewal of Existing Share Buy-Back Authority has no implications on the Directors, Major Shareholders and/or persons connected to them under the Rules save for PHSB and the following Parties Deemed Acting In Concert ("PACs") with PHSB pursuant to the Rules:-

- (i) Dato' Lee, the Group Managing Director and Chief Executive and a deemed Major Shareholder of the Company;
- (ii) LYS, a Non-Independent Non-Executive Director and a deemed Major Shareholder of the Company;
- (iii) PHSB, the ultimate holding company of the Company; and
- (iv) Such other person or persons connected to them pursuant to the Rules.

In the event the Proposed Renewal of Existing Share Buy-Back Authority is implemented in full, the proforma effects of the proposed share buy-back on the shareholdings of the substantial shareholders and Directors of the Company as at the LPD are illustrated in Section 11 of this Statement. Based on Section 11 of this Statement, the Proposed Renewal of Existing Share Buy-Back Authority may trigger a mandatory offer for the remaining shares not held by PHSB and its PACs.

PHSB and its PACs will apply for an exemption with Securities Commission Malaysia from extending a mandatory offer pursuant to Paragraph 4.15 under Part B, Rule 4 (Mandatory Offer) of the Rules. Nevertheless, as IOI has no intention for the proposed share buy-back to trigger the obligation to undertake a mandatory general offer under the Rules by PHSB and/or PACs with them, the Board of IOI will ensure that only such number of Shares are purchased, retained as Treasury Shares, cancelled or distributed so that the Rules will not be triggered.

7. PUBLIC SHAREHOLDING SPREAD

As at LPD, the public shareholding spread of the Company was 49.30%. The public shareholding spread is expected to be reduced to 44.39% assuming the Proposed Renewal of Existing Share Buy-Back Authority is implemented in full and all the Shares so purchased are cancelled. However, the Company will ensure that prior to any share buy-back exercise, the public shareholding spread of at least 25% is maintained.

8. HISTORICAL SHARE PRICES

The monthly highest and lowest prices of IOI Shares as traded on the Main Market of Bursa Securities for the preceding 12 months are as follows:-

August	4.02	3.70

(Source: Bloomberg)

The last transacted market price of IOI Shares on the LPD was RM4.02.

9. EFFECTS OF THE PROPOSED RENEWAL OF EXISTING SHARE BUY-BACK AUTHORITY

9.1 Issued share capital

The Proposed Renewal of Existing Share Buy-Back Authority will have no effect on the total number of issued Shares of IOI if the Shares to be bought back by the Company are retained as Treasury Shares and/or distributed to the shareholders as dividends. However, these Treasury Shares shall not be entitled to any of the rights attached to the existing Shares of the Company as to voting, dividends and participation in other distribution.

As at LPD, the total number of issued Shares of the Company was 6,285,198,995 Shares, with 81,501,700 being held as Treasury Shares. In the event the Company acquires all the Shares authorised under the Proposed Renewal of Existing Share Buy-Back Authority and such Shares so acquired are cancelled, the proforma effects on the total number of issued Shares of the Company as at the LPD will be as follows:-

	No. of Shares
Total no. of issued Shares as at LPD	6,285,198,995
Less: Treasury Shares as at LPD	81,501,700
Voting Shares as at LPD	<u>6,203,697,295</u>
Less: Maximum no. of Shares that may be purchased pursuant to the Proposed Renewal of Existing Share Buy-Back Authority	547,018,199
Resultant total no. of voting Shares	<u><u>5,656,679,096</u></u>

9.2 Earnings

The effect of the Proposed Renewal of Existing Share Buy-Back Authority on the EPS will depend on the actual number of Shares purchased and the purchase price paid and the loss in interest income to IOI Group. If the Purchased Shares are cancelled, the net EPS of IOI Group may increase as a result of the reduction in the total number of issued Shares of the Company.

9.3 NA per share

The Proposed Renewal of Existing Share Buy-Back Authority may increase or decrease the NA per share depending on the purchase price(s) of the Shares to be acquired. The NA per share is likely to increase if the purchase price is less than the NA per share and the contrary, if the purchase price exceeds the NA per share at the time when the Shares are purchased.

If the Purchased Shares were subsequently resold through Bursa Securities, the NA per share would increase if the Company realised a gain from the resale and vice versa. However, the quantum of the increase in NA will depend on the selling price and the number of the Shares resold.

9.4 Working Capital

The Proposed Renewal of Existing Share Buy-Back Authority could reduce the working capital and cashflow available to IOI Group, the extent of which will depend on the purchase price and the number of Shares purchased.

Assuming that the Purchased Shares are retained as Treasury Shares and subsequently resold, the working capital and the cashflow of IOI Group will increase upon the receipt of the proceeds of the resale. The quantum of the increase in the working capital and cashflow will depend on the actual selling price(s) of the Treasury Shares and the number of Treasury Shares resold.

9.5 Dividends

The Proposed Renewal of Existing Share Buy-Back Authority will have the effect of increasing the effective dividend rate per Share of the Company as dividends will be paid on the remaining issued Shares of IOI (excluding the Treasury Shares). The Proposed Renewal of Existing Share Buy-Back Authority may have an impact on the Company's dividend rate for FYE 30 June 2024 as it would reduce the cash available which may otherwise be used for dividend payments. Nonetheless, the Treasury Shares may be distributed as dividends to shareholders, if the Company so decides.

10. PURCHASE, RESALE, TRANSFER OR CANCELLATION OF TREASURY SHARES MADE IN THE PRECEDING 12 MONTHS

The Company had not made any purchase of its own Shares in the previous 12 months up to the LPD. There is also no resale, transfer and cancellation of Treasury Shares in the previous 12 months up to LPD.

As at LPD, the Company held a total of 81,501,700 Treasury Shares.

11. DIRECTORS' AND SUBSTANTIAL SHAREHOLDERS' SHAREHOLDINGS

Based on the Register of Directors' Shareholdings and Register of Substantial Shareholders' Shareholdings as at LPD and assuming that the Proposed Renewal of Existing Share Buy-Back Authority is implemented in full and that all the Purchased Shares are fully cancelled, the effects of the Proposed Renewal of Existing Share Buy-Back Authority on the shareholdings of the Directors and Substantial Shareholders of the Company are as follows:-

**PART B: PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE FOR RECURRENT
RELATED PARTY TRANSACTIONS OF A REVENUE OR TRADING NATURE**

1. INTRODUCTION

At the Company's 54th AGM held on 27 October 2023, the shareholders of the Company had approved the renewal of the shareholders' mandate to allow IOI Group to enter into RRPT(s) as set out in the Circular to Shareholders dated 29 September 2023.

The shareholders' mandate on RRPT(s) obtained by the Company is subject to annual renewal and will lapse at the conclusion of the forthcoming 55th AGM unless such authority is renewed by an ordinary resolution passed at the forthcoming 55th AGM.

On 11 September 2024, the Board had announced to Bursa Securities, its intention to seek the approval of the shareholders of the Company for the Proposed Renewal of Shareholders' Mandate.

The purpose of this Circular is to provide you with information on the Proposed Renewal of Shareholders' Mandate, to set out our Board's recommendation and seek your approval for the Proposed Renewal of Shareholders' Mandate to be tabled at the forthcoming 55th AGM.

SHAREHOLDERS ARE ADVISED TO READ THIS CIRCULAR TOGETHER WITH THE APPENDICES CAREFULLY BEFORE VOTING ON THE RESOLUTION TO GIVE EFFECT TO THE PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE.

2. DETAILS OF THE PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE

2.1 Details of the Proposed Renewal of Shareholders' Mandate

Under Paragraph 10.09(2) of the Listing Requirements, the Company may seek a shareholders' mandate in respect of RRPT(s) which are necessary for its day-to-day operations subject to the following:-

- (a) the transactions are in the ordinary course of business and are on terms not more favourable to the related party than those generally available to the public;
- (b) the shareholders' mandate is subject to annual renewal and disclosure is made in the annual report of the aggregate value of transactions conducted pursuant to the shareholders' mandate during the financial year where:-
 - (i) the consideration, value of assets, capital outlay or costs of the aggregated transactions is RM1 million or more; or
 - (ii) the percentage ratio of such aggregated transactions is 1% or more,whichever is the higher;
- (c) issuing of Circular to Shareholders;
- (d) the interested Director, interested Major Shareholder or interested person connected with a Director or Major Shareholder; and where it involves the interest of an interested person connected with a Director or Major Shareholder, such Director or Major Shareholder, must not vote on the resolution to approve the transactions. An interested Director or interested Major Shareholder must ensure that persons connected with him abstain from voting on the resolution approving the transactions; and
- (e) the Company immediately announces to Bursa Securities when the actual value of a RRPT entered into by the Company, exceeds the estimated value of the RRPT disclosed in the Circular to Shareholders by 10% or more.

In respect of IOI Group's plantation business, it is common within the plantation industry for companies to buy and sell FFB or CPO to another party (which may include related parties) because of the proximity of the CPO mill or palm oil refinery, as the case may be, of the other party, for reasons of operational efficiency and cost effectiveness. IOI Group does enter into the abovementioned transactions with the Related Parties, both within and beyond IOI Group, for reasons mentioned above. These transactions are based on prevailing market prices and terms which are readily available as palm oil is a global commodity.

The terms, including pricing of the RRPT(s) are based on normal commercial terms practiced in the industry and also on similar terms if the same were to be offered to third parties. At least 2 other contemporaneous transactions with unrelated parties for similar products and/or quantities will be used as comparison, wherever possible, to determine the price and terms offered to/by the related parties are fair and reasonable and comparable to those offered to/by other unrelated third parties for the same or substantially similar type of products, services and/or quantities.

In view of the foregoing types of transactions of a revenue or trading nature which are necessary for its daily operations, the Directors are seeking a renewal of the existing mandate from the shareholders of IOI to allow IOI Group in its normal course of business, to enter into the categories of RRPT(s) with the Related Parties set out in Part B, Section 4 of this Circular, provided such transactions, if any, are made on an arm's length basis, on IOI Group's normal commercial terms which are not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the other shareholders of IOI.

2.2 Validity Period for the Proposed Renewal of Shareholders' Mandate

- (i) the conclusion of the next AGM of the Company, at which time it will lapse, unless by a resolution passed at that meeting, the authority is renewed;
- (ii) the expiration of the period within which the next AGM after that date is required to be held pursuant to Section 340(2) of the Act, (but must not extend to such extension as may be allowed pursuant to Section 340(4) of the Act); or

As at 30 June 2024, there was no amount due to the Related Parties pursuant to the RRPT(s) which exceeded the credit term.

6. REVIEW PROCEDURES FOR THE RRPT(S)

IOI has established guidelines and procedures to ensure RRPT(s) are entered into on an arm's length basis and on normal commercial terms consistent with IOI Group operating policies, which are not more favourable to the related party than those obtained from third party or the public and are not to the detriment of the interests of the minority shareholders. These include transacting at the prevailing market prices or in accordance with the applicable industry norms.

The review procedures for the RRPT(s) are as follows:-

- (i) Related party transactions are subject to annual review and approval by the Audit and Risk Management Committee and the Board. Details of the transacting parties, particulars of the Related Parties and the terms of the transactions must be furnished in the proposal.
- (ii) Proper records will be maintained for all RRPT(s) which are entered pursuant to the proposal and details of the RRPT(s) will be disclosed in the annual report in accordance with the applicable approved accounting standards and relevant regulations.
- (iii) The requirements for an internal audit team to review annually the internal control system of IOI Group so as to give reasonable assurance to the Audit and Risk Management Committee, Board, and the management of the proper conduct and adherence to the established controls and procedures.
- (iv) The tendering process, where applicable, to ensure competitive bidding principle is observed in the procurement of most goods and services. These include the setting up of a tender committee and having a sufficient number of suppliers to bid.

7. THRESHOLD OF AUTHORITY

There is no specific threshold for approval of RRPT(s) within IOI Group. However, all RRPT(s) are subject to the approval of the Board. Where any Director has an interest (direct or indirect) in any RRPT(s), such Director shall abstain from deliberation and voting on the matter. If it is determined that the guidelines and/or procedures stated in Part B Section 6 of this Circular are inadequate and to ensure that:-

- (i) RRPT(s) will be conducted at arm's length and on normal commercial terms which are not more favourable to the Related Parties than those generally available to the public; and
- (ii) such transactions are not to the detriment of the minority shareholders of the Company or prejudicial to the interests of the shareholders,

the Company will obtain a fresh shareholders' mandate.

8. STATEMENT FROM THE AUDIT AND RISK MANAGEMENT COMMITTEE

The Audit and Risk Management Committee of the Company has seen and reviewed the procedures set forth in Part B Section 6 of this Circular and is of the view that IOI Group has in place adequate procedures and processes to monitor, track and identify RRPT(s) in a timely and orderly manner and is of the opinion that the review procedures are satisfactory and the RRPT(s) will be carried out on terms not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders of the Company.

The Audit and Risk Management Committee's review procedures will be conducted on a yearly basis or such frequency as the Audit and Risk Management Committee considers appropriate having regard to the value and the frequency of the RRPT(s).

9. RATIONALE AND BENEFITS OF THE PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE

The Proposed Renewal of Shareholders' Mandate will benefit the Company by facilitating entry by IOI Group into transactions with the classes of Related Parties in the ordinary course of IOI Group's business on commercial terms, in a timely manner and will enable IOI Group to continue to carry out RRPT(s) necessary for IOI Group's day-to-day

operations and enhance IOI Group's ability to pursue business opportunities which are time-sensitive in nature in a more expeditious manner.

The shareholders' mandate for RRPT(s), which is to be renewed annually, will eliminate the requirement by the Company to make regular announcements and convene separate general meetings from time to time for the entry of the aforesaid RRPT(s). This will serve to substantially reduce expenses associated with the convening of such meetings on an ad-hoc basis, improve administrative efficiency and allow human resources and time to be channelled towards attaining other corporate objectives and opportunities.
